I want to personally thank everyone for the tremendous year that we had in 2017! We are very excited for what’s to come in 2018! I have been working with the board, and members of the community to make this organization better. Our goals this year will be to keep the community interested, and updated! One of our biggest accomplishments is that we are presenting a full theatre season this year! Gaslight Playhouse Inc. has not had a full season in many years and we hope this will generate more interest and support! Our “hunt” for a home will also be a big priority. Bonnie Koontz (treasurer) will be serving as the

chairwoman of our search for a permanent facility for the organization. I am also working closely with Lee Ann DePew (secretary) on keeping our website, and social media pages captivating, and informational! Many members of our board will be directing shows this year, and I will be helping out with each show in some way, shape, or form. Please feel free to reach out to me with any questions, concerns, or suggestions. We are looking forward to seeing you this year!
